

**AMENDMENT TO THE SPECIFICATION**

Please AMEND the Specification to read as follows, with added text indicated by underlining and deleted text indicated by ~~striketrough~~.

[0077] Meanwhile, as shown in FIGS. 10A and 10B, a sliding unit 300 is provided at the carriage body 531 and the latch 532, to limit an opening angle ~~S~~ of the latch 532. This opening angle "S" is shown in FIG. 14.
